LETTER OF INTENT

This letter is to certify the approval of cooperation within the framework of application the programme "LONG LIFE LEARNING" – the Leonardo da Vinci Programme.

Title of the project: "C.F.A.V.M. LEARNERS MOBILITY IN LATVIA"

On the basis of mutual arrangements we do accept the proposal of playing the role of a partner in the project applied by the applicant. Centre de Formation d'Apprentis des 3 Villes de la Mayenne, France, referring to vocational training for about the 6 (six) students with their tutors on 2011/12.

The description of our role:

1. To be the institution organizing the exchange period as well as vocational training for the group of students from the promoter's school.
2. To organize vocational training for the group of beneficiaries in our workshops and companies cooperating with our school.
3. Strict cooperation with the promoter as far as the preparation and realization of the whole project is concerned.
4. Mutual assessment of the effects and achieved aims after completion of the project.
5. Cooperation with the promoter in terms of applying for Europass – Mobility certificate for the beneficiaries of the project.

The host organization obligates to provide high quality enterprise, which is in accordance with the terms and objectives of the placement programme "LONG LIFE LEARNING" – the Leonardo da Vinci Programme.

Director
